

Technical Data Sheet

Joe's Eco disc brake cleaner

General Description

Environmentally friendly disc brake cleaner

Product's Purpose

Leaves disc rotors and pads perfectly clean with no break dust, oil, dirt or grim. Improves breaking performance and re-hydrates lifeless brake pads.

Perfect for cleaning bike suspensions and rims from old rim tape. Cleans a wide range of sticky greasy surfaces such as engine parts, tools, machine parts, etc.

Will not harm metal, cloth and most types of rubber and plastic.

Working Instructions

1. Refer to the MSDS before using this product.
2. Spray over the disc and caliper.
3. Wait for few minutes.
4. Wipe firmly with a clean towel and allow additional air dry.
5. Repeat the process If needed.
6. Note that on your first ride discs might be noisy for the first 3-5 brakes.

Cleaning Instructions

1. Clean hands with water and soap.
