

Joe's ECO BIKE- SOAP

General Description

spray and wash Bicycle's soap for all bicycle parts.

Properties

- Safe to use on any bike parts including rubber, plastic, carbon, titanium, aluminum and stickers.
- Efficiently removes grime and dirt, from chain, cassette and frames leaving a shiny coating on your bike.
- Great for cleaning riding gear: helmets, gloves, shoes and protective gear.
- It is so natural you can wash your hand with it.
- Safe to use on all bike parts: carbon fiber, seals, cables, brake pads and rotors.

Working Instructions

1. Spray the entire bike and wait for 5 minutes.
2. Scrub with a soft brush to remove heavy grime.
3. Rinse with water.
4. Wipe with dry cloth.
5. Dry completely before applying lube.
6. Use Joe's Eco Frame & Tire Shine to complete the clean look and prevent accumulation of mud and dirt on the bicycle.
7. Use Joe's Eco Nano Lube Dry or Wet in according to riding conditions.
8. To remove heavy greasy buildup use Joe's Bio-degreaser for chains and drivetrain cleaning.
