INSTALLATION INSTRUCTIONS FOR ALL DISC PADS FOR ALL BRANDS OF BRAKES

WARNING!

WHEN REMOVING AND REPLACING DISC PADS, PLEASE CHECK AND REFER TO YOUR DISC BRAKE OWNERS MANUAL FOR CORRECT INSTALLATION AND MAINTENANCE.

- Always follow the manufacturer's torque recommendations.
- Be sure to carefully note the position and orientation of old pads before removing them.
- When checking pad wear, be sure to check both, they could differ.
- Never let the pads wear down to the back plate.
